Thanks Ex. 6 Personal Privacy (PP) for the heads up. Do you mind if I forward your email to Ex. 6 Personal Privacy (PP) to get an update on the risk assessment side? Meaning, any sensitivities to strip from email first?

I just spoke with the submitter for this case and she will be reaching out to you tomorrow about the status of the final risk assessment. The case is under suspension and in management review.

It's a Ex. 5 Deliberative Process (DP)

On November 20th Ex. 6 Personal Privacy (PP) and I met with the company to give them a status update on the case. We told them they would have the Order by early Feb. (at that time the direction had not been giving to RAB to only focus on active and HOF cases).

Let me know if you need anymore background.

Thanks,
